

## PASTEURIZED CRAB MEAT

*Chicken of the Sea Frozen Foods* is one of the top importers of pasteurized crab meat in North America. As industry leaders for more than 15 years, our vertical integration, quality assurances, sustainability, and market intelligence can help extend your resources and grow your business.

### The COS Advantage:

- ✓ Owned & controlled supply chain
- ✓ Fully traceable
- ✓ Sourcing 100% from active fishery improvement projects (FIPs)
- ✓ Three levels of quality controls
- ✓ Consistency across all suppliers
- ✓ Refreshed retail packaging with QR code for recipes and traceability

#### Colossal

The largest size of white muscle meat available. Only two pieces from each crab and no broken pieces included.

#### Jumbo Lump

Whole, round meat from the swimming leg chambers of the crab. Only two per crab and no broken pieces.

#### Super Lump

Large crab meat from broken jumbo, "flower pick", and assorted white body meat.

#### Lump

A blend of whole and broken white meat from the backfins of the crab.

#### Special

A versatile blend for the widest variety of recipes. Clean picked body meat including broken lump meat.

#### Claw

Meat from the arms and claws. Great for crab cakes, dips, soups and spreads.
