

TUNA: YOUR NEW MENU POWERHOUSE

Power up your menu and drive sales! Wild caught, sustainable Chicken of the Sea tuna offers a variety of healthful, economical menu solutions to captivate your customers.

Off-site foodservice: Stay on-target with the surge in off-site demand! A **cost-friendly ingredient, shelf-stable tuna** offers exceptional menu versatility, from salads to wraps and more.

Comfort food: Comfort food is soaring in demand. **Tuna has always held a special place in the comfort food line-up, from tuna salad to tuna noodle casserole and more.**

Healthy lifestyles driving consumer choice: Did you know a 5 oz pouch of Chicken of the Sea Premium White Tuna has 32 g of protein? **Also high in omega-3s known to help protect immunity and health!**

Protein snacks: C-stores and micromarts have discovered the appeal—a **simple pouch of tuna is the hero in convenience and snack sales today.**

Light on labor: No thawing, no pre-prep, no cooking required—**shelf-stable tuna can streamline your labor requirements for a wide array of recipes.**

Global Flavors: America's top-two favorite fish is a **versatile ingredient limited only to your culinary imagination.**
