

THINK BIG

To help protect our oceans.

OUR COMMITMENT TO SUSTAINABILITY

As a company built on producing and selling high quality seafood products to markets around the world, our sustainability objectives can be summarized in three overarching aims:

The seas are sustainable now and for future generations.

Our workers are safe, legally employed and empowered.

Combating climate change and promoting healthy diets through sustainable seafood.

seachANGE

SeaChange® is our sustainability strategy that's transforming the global seafood industry. Our Programs:

Safe & Legal Labor

Providing safe, legal and freely-chosen employment in our own facilities and in supply chains is critically important to Thai Union.

Responsible Sourcing

Traceability is the key to improving the transparency and operational practices of the entire seafood supply chain.

Responsible Operations

The way we operate must be environmentally responsible and show a duty of care for our workers.

People & Communities

At Thai Union we take responsibility for improving the lives of those living and working in the regions in which we operate.

OUR PARTNERSHIPS

Pioneering collaborative solutions for SeaChange®.

SUSTAINABLE FISHERIES PARTNERSHIP

Replenishing fish stocks and reducing the environmental and social impact of fishing and fish farming

MONTEREY BAY AQUARIUM

Through the SeaChange initiative, we're driving to achieve Seafood Watch recommended ratings in our seafood producing regions

THE NATURE CONSERVANCY

We are committed to implementing 100% "on the water" monitoring of our tuna fishing supply chain by 2025

GLOBAL GHOST GEAR INITIATIVE

Ranked first in removing abandoned fishing gear and ocean debris (2019)

SEAFOOD TASK FORCE

Improving social and environmental conditions while addressing Illegal, Unreported and Unregulated Fishing (IUU)

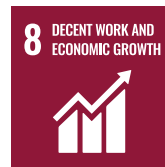

MARINE STEWARDSHIP COUNCIL (MSC)

Implementing Fishery Improvement Projects (FIPs) around the world for all fishing methods

In partnership with the United Nations Global Compact, and as a proud founding member of the *International Seafood Sustainability Foundation*, we commit to the delivering on the following goals:
