

ASIAN GOLD[®]

LEADER IN TUNA

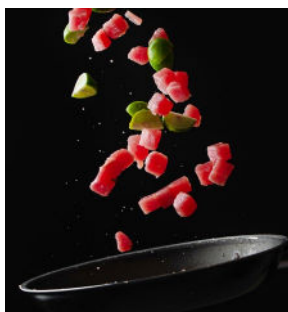

BRAND

- ✓ Part of Thai Union, the world's largest tuna processor, sourcing from socially and environmentally responsible fisheries
- ✓ Committed to responsible sourcing of yellowfin tuna from Indonesia and Vietnam
- ✓ Artisanal handline/pole & line fisheries that minimize bycatch of endangered, threatened, and protected species to help protect our oceans
- ✓ Capabilities to source MSC-certified or Green-Rated (Best Choice) by Monterey Bay Aquarium Seafood Watch
- ✓ 100% traceable – global investment in traceability as the foundation of sustainability efforts
- ✓ Supporting fishing communities
- ✓ Rich flavor, color retention, and smooth texture for premium tuna
- ✓ Our catching, handling, processing, and distribution enables the tuna to be single-frozen and delivered in its freshest state with consistency
